Invoicing and Payments

We will send you an invoice for all 'out of pocket' costs. The amount to be invoiced will be confirmed once we have the final attendance numbers confirmed for the holiday package.

Out of Pocket Expenses

This amount covers all expenses stated in the 'Out of Pocket Inclusions' listed for each holiday package. Please note that this cost is not claimable through the NDIS and must be paid directly by the customer or their authorised delegate.

A deposit will be required 30 days from the booking date. The amount required will be confirmed when your booking is finalised. Bookings for all holiday packages (including cruises) will close 30 days prior to departure date.

Medication

Customers must provide full details of current medication to staff at least two weeks prior to departure date.

If support staff are required to assist with the administration and/or storage of medication whilst on tour then staff will follow Multicap medication management policies and procedures.

This will require written instructions signed by the customer's medical practitioner and all medication must be supplied in a Webster/blister pack. Customers need to allow ample time for all necessary documentation and medication to be prepared prior to departure.
