## Weekend Kids Club

Brisbane South Activities - Eight Mile Plains

October, November  
& December 2023

## Welcome to Avegates!

Your very own social experience network  
- now offering a weekends kids club.

Life is to be lived and enjoyed, and Avegates is about encouraging people with disability to live their best possible life. Our Weekend Kids Club offers something for everyone. Enjoy a thrilling day out at a theme park, develop gardening skills, or have fun hunting for treasure, exploring space or being a superhero for a day. We offer a program of activities designed to gain new experiences and get the most out of life.

We also include the services of our experienced Support Workers, who are not only there to support the children, but to make sure they enjoy every moment. We'll take care of all the tricky stuff, so they can focus on the fun!
