

Here to help since 1962

From humble beginnings, five Brisbane families needing support for their young children with complex needs established Multicap. Over the past six decades, Multicap has grown and evolved with its foundation families into an organisation with a broad service offering.

Today, our services reach over 1,700 people throughout QLD and northern NSW and VIC. We're committed to being here for our customers in all ways, always.

Expanding the possibilities of every person for more than 60 years
