2024 Aspley Hub Activity Program 1 Catalogue

Welcome to our Hub Activity Program! We are pleased to have you join us for activities at the Aspley Hub, and we hope you enjoy what we have in store.

Our 12-week Hub programs are designed to offer you structure and consistency, with a focus on outcomes. When making your activity selections, you will be signing up and committing to a complete 12-week program for each day you attend the Hub.

This allows you to fully develop your skills, more opportunity to see progress and reach your goals, and have a sense of completion at the end of the 12-week program. It also helps you develop stronger connections with other customers, and gain more substantial outcomes than one-off activities.

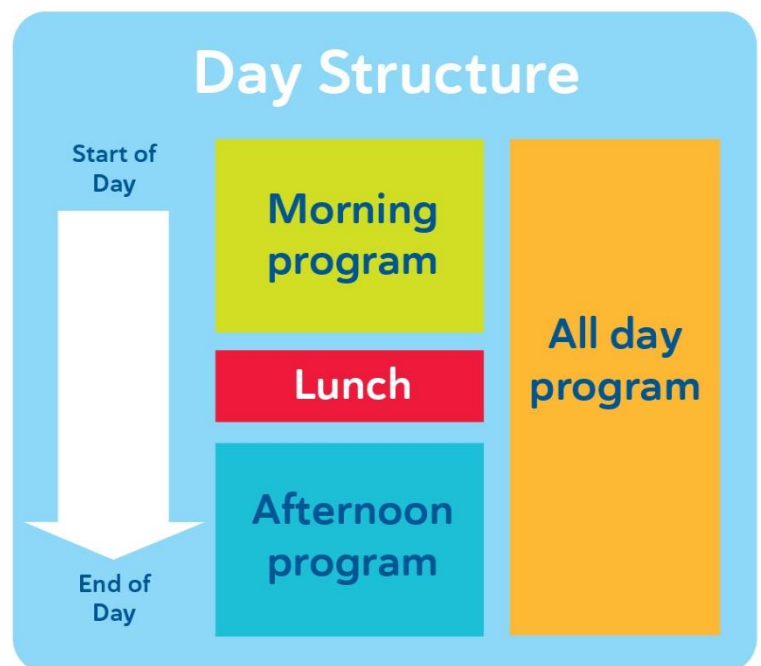

At the end of each program, you have a chance to demonstrate your new skills with two showcase weeks in July and December. The showcase weeks give you the opportunity to do a one-off activity that displays your new skills or goal achievements.

How it works

- For each day you attend the Hub, choose one activity for the morning and one activity for the afternoon, or a full day activity where available.

As you are committing to that specific activity for 12 weeks (ie. Sailing every Monday, cooking every Tuesday morning and games every Tuesday afternoon), please make sure the activities you choose are ones that align well with your NDIS goals, or are activities you are passionate about.

- Tick the program you wish to be registered into as outlined below and either phone through your choices to Jacqui Edmond on 0437 158 035 or return it to Aspley Hub Staff by Wednesday the 15th of November.
- Program allocation is based on first-come, first-served; so, make sure you get your selections in fast! If you need help to complete the form, please call Jacqui on 0437 158 035.
- A confirmation letter will be sent to you with the activities you are participating in.
- If your chosen activity is at capacity, we will phone you and see if you would like to be placed in an alternative activity or increase your level of support to be able to participate. We are unable to permit changes to your activity program once confirmed due to group-based scheduling. If you do not wish to participate in an activity you have selected, please contact Jacqui on 0437 158 035.

Hub Activity Program Goal Reference Guide

To support you in being able to identify activities in the Program Catalogue that will support you to achieve your individual goals we have added an icon/s to each activity so you can easily identify what core goals the activity is designed to support you to achieve.

A maximum of 3 core goals can be shown even though some activities may support you to achieve more than 3 goals. Those identified are the core goals that the activity supports.
