

# SOCIAL STORY - CYCLONE

Written and created by Multicap's Positive Behaviour Support Team

**THE WEATHER CHANGES EVERY DAY.**

**IT CAN BE SUNNY, RAINING, WINDY, OR  
STORMY WITH LIGHTNING.**

**THE WEATHER REPORTER TELLS US ABOUT  
THE WEATHER ON THE RADIO OR TV.**

**DAILY FORECAST**

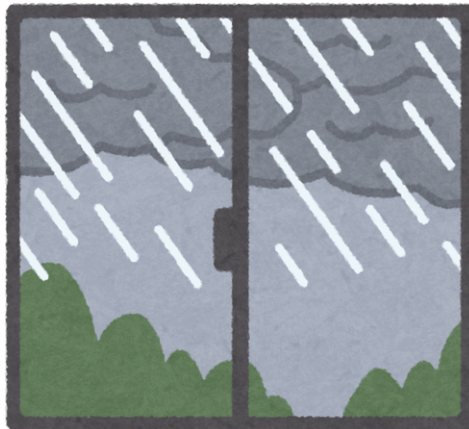

**THE WEATHER REPORTER HAS TOLD US  
THERE IS CYCLONE COMING TO OUR TOWN.**

**DAILY FORECAST**  
CURRENT WEATHER DAY & NIGHT

**A CYCLONE IS LIKE A BIG RAINSTORM.**

**A CYCLONE HAS VERY STRONG WINDS THAT BEND THE TREES AND MAKE LOTS OF NOISE.**

**A CYCLONE HAS VERY HEAVY RAIN THAT MAKES LOUD SOUNDS ON THE ROOF.**

**EVEN THOUGH THE WIND AND RAIN MAKE LOTS OF NOISE YOUR SUPPORT WORKERS MAKE SURE YOU ARE SAFE.**

**IF YOU FEEL SCARED YOU CAN TELL YOUR SUPPORT WORKERS BY HOLDING THEIR HANDS, SITTING NEXT TO THEM, READING STORIES TOGETHER, OR WATCHING TV TOGETHER.**

**YOUR SUPPORT WORKERS KNOW YOU AND WILL SEE IF YOU ARE SCARED AND LET YOU KNOW THAT YOU ARE SAFE.**

**THE NOISE FROM THE RAIN AND WIND MIGHT GO ALL NIGHT, BUT IT WILL ALWAYS STOP. WHEN IT STOPS THE SUN WILL COME OUT AGAIN!**

## **WHAT IS SOMETHING YOU WOULD LIKE TO DO AFTER THE STORM?**

(prompt suggestions of activities you know are the customers favourite and something they can look forward to)
