About

With a total of 20 apartments, this apartment complex was designed for inclusive community living, welcoming all members of the community.

Available rooms

Three units available.

Accessibility

Fully accessible Specialist Disability Accommodation (SDA) - Platinum Level under Livable Housing Standards. However, this is not a requirement to live here.

Disability support

Multicap offers 24/7 support from our highly trained and friendly team, with options for tailored Disability Support services.

Enjoy a balance of connection with other residents and privacy, at this fully accessible apartment in Carina. These two-bedroom units are part of a 20-bedroom complex, offering the benefits of having your own bedroom, living area, kitchen and bathroom to yourself, with shared cooking and dining amenities with other residents in the complex.

Highlights

The complex has a strong sense of community, inclusivity and belonging. Options for tailored Disability Support services are available, and the units are ready for smart home technology installation. We provide flexible lease terms, including longer-term arrangements.

Ideal applicants

The available units are currently untenanted, providing the ideal opportunity to live alone or with a friend or co-tenant.

Important information

Applicants must have Supported Independent Living (SIL) or ILO funding to live in this property.
