

MACKAY DISCOVERY DAYS

- ✓ Centre-based activities
- ✓ Excursions to great attractions
- ✓ NDIS Registered Provider
- ✓ Person-centered approach from our dedicated staff

PROGRAM DATES: Week 2: 6th July – 10th July

Our Youth Development Experience Program facilitates children reaching their goals and increasing their engagement in activities.

About our Program

Every day of the program offers fun, new and exciting activities for the children, centered around goal development. Many activities are group based and encourage children to build on social skills and make new friends. Our support staff are fully qualified with accreditations in Medication Administration, Advanced First Aid and CPR, and hold current Blue and Yellow cards.

For more information, phone our team on **1300 135 886** or email program.team@multicap.org.au

Program Time

9am to 3pm (8am drop off and 4pm pickup available on request).

Participant Age Requirements

Must be aged between 5 and 18 years and currently attending school.

Medication and Health Plans

If your child needs us to administer medication during their time at the program, a medication management chart will be required onsite before program begins. All health management plans and behaviour plans are to be submitted before start of the program.

Cost

Cost for supports provided during the program are generally claimed through NDIS funding. In addition to the support costs there are small out-of-pocket fees charged each day to cover resources and snacks. This additional cost is not claimable under NDIS funding.

Other Important Information

This program is suitable for children who can be supported in a group environment. Please advise our team of any cancellations or changes at least two weeks prior to avoid additional service charges.
